

Bea Schubert: Picture "There Is No Place Like Home No.6" (2024)

€2,200.00

The large, colorful picture is 55 cm wide, 180 cm high and 4 cm deep. It is part of my HOME series. Home is where we find our balance, the "place" to which our heart connects. So it is not necessarily a house or a piece of earth, but our heart connection. Flying birds and the spontaneity of the brushstrokes represent freedom. The painting radiates both Mediterranean freshness and lightness, as well as warmth through the deep red-brown. I use high-quality canvases and paints. The sides are painted. Framing is not required. The picture is glazed (Lascaux) to protect it against UV light. It can be hung immediately.
