Magnum Ferra: Picture "A DREAM" (2020)

€1,300.00

Magnum Ferra is an artist from Cologne. She combines ancient Ebru art and digital technology in her pop art works, bringing them together in the form of the past and present. Magnum uses many techniques to print her artistic visions on burnished aluminum plates or canvases to showcase the powerful imagery and radiant luminosity of her works. The viewer enjoys legendary cars, graceful divas. Icons such as Brigitte Bardot, Marilyn Monroe and Steve McQueen exude an eternal charm that has long since gone down in cultural history.
