Sabine Schramm:
Picture "North Sea - Dunes & Sea (#240304)" (2024)

The dusk awakens in a quiet symphony of colors and emotions. The dunes stretch up proudly, kissed by golden sunlight, while the soft dune grass dances in the wind as if whispering the island's history. The sky burns in warm shades of orange and red, lovingly embraced by the incoming clouds. In the distance, the sea rests, a calm witness to this incomparable beauty. It is a moment that touches the soul and captures the transience of the moment as the sun slowly sinks into the horizon, bathing the world in a magical light.
