Beate Garding Schubert:
Picture "At Home Is The End Of The World No.3" (2023)

€3,000.00

"At Home Is The End Of The World" is painted, scratched, sprayed in many layers. There are some symbols on the artwork like fish, boat, sun, tree, leaves, elephant. The surface is both vivid and soothing in many areas. Turquoise/blue dominates. Playfulness, spontaneity and joy are central. Our home is extremely important to our lives. Many of my artworks revolve around the theme of home. This is where we experience love and affection. This is where we feel safe and secure. "Here comes the sun..." The artwork is 90 x 90 cm and 2 cm deep on high quality canvas. The sides are painted indigo blue. The image is firnist (satin) to protect against UV light.
