€2,400.00

Captured is the timeless beauty of a summer's day on Sylt. Gentle dunes stretch out before your eyes, kissed by golden sunlight and caressed by a gentle breeze. The waves of the sea in the background dance in the glistening light, while the clouds in the sky pass by in majestic harmony. Feel the warmth of the sun on your skin, the salty scent of the sea in the air and the infinite expanse of the horizon, inviting you to forget everything around you and enjoy the moment to the full. This painting is a reminder of how precious and enchanting the simple pleasures of life can be.
