Irina Laube:
Picture "Warm evening" (2022)

€2,250.00

The ideas and inspirations for my work I take from nature with its various facets. The process of image creation is based on deliberate coincidence and exact further development. The focus of my work are the colors, textures and shapes, which I want to implement with the different techniques in a certain harmony. The sides of the picture are painted, finally the varnish with UV protection.
