

€1,200.00

The artwork "Love" is a striking portrait of the artist created using a unique combination of Ebru art, photography and digital techniques. The portrait captures the iconic beauty and charisma of the artist and portrays her in a timeless and captivating way. Ebru's art adds a fluid and deep element to the picture, enhancing its visual appeal and giving it a sense of movement. "Love" is not just a portrait, but a tribute to the artist's enduring legacy and the universal theme of love that she embodies.
