

Irina Laube: Picture "Bouquet of flowers" (2024)

€2,250.00

In this painting I have depicted a lush, vibrant mix of flowers in an expressionistic and partly abstract style. The bold, impulsive brushstrokes and rich hues of pink, red and purple capture the wild beauty and energy of nature. This artwork is designed to bring joy and a vibrant atmosphere to any home by reminding viewers of the boisterous power and delicate details of the floral world. The sides of the picture are painted, finished with varnish with UV protection. The picture is signed on the front and signed and dated on the back.
