

Astrid Stoeppel: Sculpture "Melodic Paperwork" (2022)

For the Paperwork! series, Stoeppel uses thousands of pieces of paper (made from sheet music) attached to canvas. The works are made on canvas. In addition, the finished paper sculptures are treated with fixative and thus protected from dust and UV rays. The work is signed on the front and dated on the back. The artworks of the German artist Stoeppel are part of public and private collections worldwide, including in the USA, Canada, Japan, South Korea, UAE, UK, Ireland, Spain, France, Austria, Italy, Germany and Switzerland.
