

Susanne Pohlmann: Picture "Infinity 4" (2024)

€3,800.00

In this work, I have captured the raw, unstoppable power of nature in acrylic. The churning sea and stormy atmosphere embody feelings of chaos and awe. I want viewers to feel the intensity and dramatic play of light and dark that symbolizes both a challenge and a majesty to our human experience. Through expressionistic strokes, each brushstroke comes alive as if the wind and waves are leaping directly from the canvas. It is an invitation to surrender to the powerful beauty of nature while exploring our own inner storms.
