

Sabine Schramm: Picture "Sylt beach chairs" (2023)

The tranquil serenity of a perfect summer's day on Sylt - captured in this painting. Two typical Sylt beach chairs, proud and majestic, are enthroned on the soft sandy beach, waiting for people to make themselves comfortable in them. The North Sea, today only gently undulating and kissed by the sun, stretches out endlessly in front of you, while delicate clouds pass by in the sky in silent awe of the beauty of nature. Feel the salty sea breeze on your skin, listen to the calming sound of the waves and let the tranquillity and serenity of this picture transport you to a world of peace and harmony. The picture is delivered ready to hang or stand.
