

Ralf Schmidt: Picture "Ayumi, Marketing" (2024)

€1,400.00

Digital work, archival carbon print behind plexiglass (5mm), laminated white on the back. There is only 1 copy in the specified size. The work is signed on the back. The work is digitally drawn on the computer. The graphic style of the work is ideal for printing on acrylic glass. These prints are not a reproduction medium, but an independent form of expression with which effects can be achieved that are not possible in painting. There is no other original, the print on acrylic glass is the original. A woman on her way: the exterior of the person is depicted with a few strong lines, which become finer in some places and reveal details, in order to reflect the inner state of mind. In the background, the person is depicted as a whole figure, walking, with a packed suitcase. A departure at sunrise or sunset, a step into a new chapter. Ayumi looks at things in a restrained but determined manner in order to discover something new.
