

Beate Blankenhorn: Picture "Frida paints Frida" (2021)

€2,400.00

Frida Kahlo sits in her studio in Mexico and paints a larger-than-life self-portrait, observed by her two dogs. This is a purely fictional scene that is nowhere to be found like this, neither in photographs nor in literature. This painting testifies to the joy of life, the devotion and the desire for colors and ornamentation.
