

Judith Riemer: Picture "Tiny Home with a View" (2023)

€500.00

"Tiny Home with a View" is an abstract oil painting on canvas depicting a small house on a hill by the sea. This hand-painted square oil painting on canvas is designed with organic shapes and textures that take the viewer on a journey through the artwork, constantly revealing new details. The muted green and brown tones radiate peace and tranquillity, while warm reds, sunny yellows and bright blues are pleasing to the eye. The pigments of the high-quality oil paints lend the original painting a special value and quality. This imaginative work of art is perfect for anyone who appreciates the beauty in small things. With its small format, it is ideal for any dresser, kitchen or office and invites you to daydream.
