

Judith Riemer: Picture "Hide and Seek" (2023)

€500.00

"Hide and Seek" is an abstract nature oil painting that shows a flower garden with branches, leaves and a pigeon. "Sometimes I watch a pigeon in my garden. It walks back and forth and pecks around a bit here and there. It looks a bit confused. It's one of those things in spring... I wonder where the nest is!" The picture is part of the series "Home is where the heart is". This rectangular oil painting on canvas is designed with playful, floral elements that evoke a carefree, spring-like feeling in the viewer. The bright yellow and orange tones make the work glow, while the sky blue background conveys a sense of calm. The fine pigments of the high-quality oil paints give this original painting a special value and quality.
