

Ute Meyer: Picture "Baltic Sea / Tranderup / Ærø" (2023)

€570.00

This picture was taken on a windy, rainy day in March above the coast. I was thrilled by the silvery light reflecting on the sea and captured this mood, despite a few raindrops in between. The green on the cliffs glows and forms a strong contrast to the light gray-silvery water. The sky is covered with blue-grey clouds. 300gr laid paper from Centenaire served as the painting ground. The picture is fixed on a gray passe-partout cardboard measuring 60x80 cm. The signature is on the front.
