

Heike Schumann: Picture "different cultures" (2022)

€2,200.00

The nude painting "Different Cultures" by Heike Schumann is an abstract-figurative representation that was created during a nude painting session in the studio on the Baltic Sea. It invites the viewer to develop their own perspective and interpretation and offers space for individual thoughts and emotions. The acrylic painting is a unique piece on canvas and belongs to the style of contemporary art. The original artwork is painted with high-quality acrylic paints, dated and signed by the artist.
