

Susanne Pohlmann: Picture "Infinity 3" (2024)

€3,800.00

In this painting, I interweave the passionate energy of the forces of nature with acrylic paints. The churning, dynamic sea reminds us of the unstoppable power and beauty of the natural world. The contrasts between the dark depths and the luminous highlights are meant to reflect the emotional depth and the infinite facets of human experience that touch our souls and enliven the living spaces.
