

Heike Schumann: Picture "Willpower" (2022)

€1,500.00

The work "Willensstärke" shows a woman looking directly at the viewer with a determined gaze. She is holding a scarf over her head, which looks like a peace flag due to its shape, color and position. This seems to give her protection and strength, as she holds it firmly and resolutely. The picture leaves room for interpretation and encourages the viewer to reflect. Overall, it is very expressive and immerses the viewer in a world full of emotions through the use of bright colors and a loose brush technique. The acrylic painting is a unique piece on 4.4 cm canvas and belongs to the contemporary art style. The original artwork is painted with high-quality acrylic paints and is dated and signed on both sides by the artist.
