

Christin Lutze: Picture "Hiddensee" (2024)

€1,900.00

In this work you can see how much Christin Lutze loves to spend time by the water and the sea and to depict these landscapes in her own way. With strong, but warm and harmonious colors, she seduces the viewer in this oil painting to dream and linger and reminds of a journey. When a journey is over, the best thing to do is to relive it...
