

Holger Mühlbauer-Gardemin: Picture "Jean-Michel Basquiat Style" (2023)

€6,100.00

Jean-Michel Basquiat. Jean-Michel Basquiat was an American artist, painter and draftsman. He was the first African American artist to make a breakthrough in the mainly white art world. He helped coin the art term neo-expressionism. The work is Analog/digital/Analog painted, and is a mix of analog neo expressionism and digital art. Finally refined with acrylic paint again. It is unique
