

Ralf Schmidt: Picture "Vincent, cook" (2024)

€1,485.00

Digital work, archival carbon print behind plexiglass (5mm), laminated white on the back. There is only 1 copy in the specified size. The work is signed on the back. The work is digitally drawn on the computer and saved as a file. The graphic style of the work is ideal for printing on acrylic glass. These prints are not a reproduction medium, but an independent form of expression with which effects can be achieved that are not possible in painting. There is no other original, the print on acrylic glass is the original. A serious, self-confident man on his way: with a few strong lines, which become finer in places and reveal details, the exterior is depicted to reflect the inner state of mind. In the background, he walks off into the sunset with his suitcase packed, a step into a new chapter. Serious, self-confident and determined, the chef looks at the viewer, on the verge of discovering something new.
