

Judith Riemer: Picture "Twilight" (2024)

€1,490.00

"Dämmerleuchtend" is a rectangular acrylic painting in landscape format that depicts a wide evening sky at dusk. The clouds, which converge in perspective, move dramatically across the sky, while the horizon appears deep and far-reaching. The abstract, gestural painting with sketchy lines lends the picture a lively and dynamic quality. The work is inspired by an evening sky, as one might experience during a walk in the middle of nature. The picture conveys a sense of freedom that allows you to pause and breathe a sigh of relief. The cool color palette, consisting of blue, grey, white, sienna and pink, creates a calming atmosphere. White highlights create a fascinating combination of sharpness in the clouds and blurriness on the horizon. "Dämmerleuchtend" invites you to immerse yourself in the mood of a quiet evening and enjoy the generous beauty of nature.
