

Sandra Gebhardt-Höpfner: Picture "My Poppies 1" (2024)

In my work, I have captured the vibrant beauty of poppies. With an impressionistic style and a touch of realism, I illuminate the delicate blossoms dancing against an impressionistic grained background. The warm reds and soft pinks exude a passionate energy that enlivens any setting. My acrylic paints impressively bring the plant world to life and radiate joy and freshness. The painting is signed on the front and signed + dated on the back. The sides are also painted. It is provided with a hook for direct hanging.
