

Michael Bajer: Picture "Caribbean beach" (2024)

€800.00

This watercolor shows a breathtaking Caribbean beach that invites you to dream. The soft white sand stretches down to the turquoise blue sea, which is lined with palm-fringed islands. A bright blue sky with scattered white clouds completes the idyllic picture. The warm color tones and the calm atmosphere of the painting allow the viewer to escape to distant realms and convey a feeling of relaxation and freedom. A perfect work of art for anyone longing for a touch of the Caribbean.
