

Nicole Leidenfrost: Picture "Assembly 2" (2025)

€5,800.00

Assembly 2" expands the depiction of the group by integrating both seated and standing figures. The composition uses different variations of red to emphasize the depth and dynamics of interaction within the gathering. Standing people add another dimension to the work and reflect the variety of movements and positions. This artwork shows a group of people actively exchanging ideas and forming a lively and interactive community.
