

Ilona Schmidt: Picture "My city in view" (2020)

€1,200.00

In my work, acrylic and oil pastels merge to create a dynamic, expressive world. Expressionism blends with semi-abstract representation - a kaleidoscope of emotions that stimulates thoughts and feelings. The bold colors and energetic lines bring a vibrant atmosphere to any room. It is an ode to the energetic, pulsating life of the city, which is always on the move. Acrylic, paper, acrylic glass and oil pastel on canvas
