

Carolina Villagra-Roth: Picture "Before the curtain falls" (2022)

€580.00

A theater stage, soft colors, a range of purple and pink tones. A ballet dancer can be seen in the background. The play is almost over before the curtain falls. These are memories of visits to these places that I visit often and love so much. Life is a theater and we are its main actors. The side edges of the picture are painted ebefalls.
