

Toni Nohe: Picture "Midsummer Night's Dream" (2024)

The picture "A Midsummer Night's Dream" captures the magical atmosphere of a late summer night, in which colors and shapes gently flow into one another. Delicate blue tones have a warm, playful effect and create a captivating atmosphere. The picture functions as a floating memory that transcends the boundaries between reality and fantasy. It invites the viewer to immerse themselves in the stillness of the night and feel the magic of fleeting moments. Who hasn't felt pure happiness on deep blue summer nights?
