

Holger Mühlbauer-Gardemin: Picture "Dresden on the Elbe" (2024)

€3,570.00

Dresden, beautiful city on the Elbe. In this work I have experimented with vibrant acrylics, lithography, varnish and pigment to capture the pulsating energy of a riverside city. Expressionism guides my hand, weaving bold colors and emotional brushstrokes that convey movement and vibrancy. This painting will enrich a home with a touch of passion and inspiring dynamism. Every glance at it should remind you of the infinite beauty and power of creation. The work is half analog and half digital. It is one of a kind.
