

## **BIGUI: Picture "Lily" (2023)**

**€1,450.00**

This work reflects my passion for nature. I used acrylic paints to create this work, which combines both naive and pop art elements, creating a symbolic and unique atmosphere. It embodies the vitality and essence of the flower, which will spread an atmosphere of energy and inspiration in your home. The painting has been stretched on a 3.5 cm deep gallery stretcher frame and can be hung without an additional frame as the sides of the picture have also been painted.
