

Irina Laube: Picture "A day to dream" (2023)

€2,550.00

In my work, I combine abstract and expressionistic elements with a touch of semi-abstraction, bringing acrylic colors to life. I passionately create a scene that celebrates the freedom of imagination, capturing unbound emotions and inviting the viewer to dream. This blend of vibrant colors and dynamic strokes will bring a stimulating energy to any home. The sides of the painting are painted, finished with a varnish with UV protection. The painting is signed on the front and signed and dated on the back
