

## **Ute Meyer: Picture "Baltic Sea /Vejsnæs /Ærø" (2019)**

**€800.00**

This picture was taken in April on the Danish Baltic coast on the island of Aeroe. The blue sky is streaked with white clouds. The sea shines blue turquoise. The light-colored beach, strewn with stones of different sizes, runs below a high cliff. Fresh greenery grows on the sandy cliffs. The oil paint is applied impasto with brushes. The structures of the cliffs, the water, the stones and the vegetation are vividly structured. The canvas is hand-stretched and primed several times. The edges are white. The picture is hung on a steel cable. The signature is on the front.
