

Ralf Kunstmann: Picture "No.97" (2023)

€4,400.00

The depicted motif presents an entrance door shaped by time and history, embedded in the picturesque surroundings of Tuscany - a scene that touched me deeply and inspired me to create a painting. The work was executed with acrylic paints on canvas and is characterized by an extraordinary depth and intensity that only a handmade original can offer. Please note that the artwork is supplied without a frame.
