

## Ralf Schmidt: Picture "Time for a change (13)" (2023)

€500.00

Digital work, archival carbon print behind plexiglass (5mm), laminated white on the back. There are 10 copies in 50 x 50 cm. The work is numbered and signed on the back. The work is digitally drawn on the computer and saved as a file. The graphic style of the work is ideal for printing on acrylic glass. These prints are not a reproduction medium, but an independent form of expression with which effects can be achieved that are not possible in painting. The print on acrylic glass is the original. A woman on her way: The exterior of the person is depicted with a few strong lines that reveal details in some places in order to reflect the inner state of mind. In the background, the person is depicted as a whole figure, walking, with her suitcase packed. A departure at sunrise, a step into a new phase. She has a clear view of things, she knows the consequences and can deal with them.
